Rev. 09.26.13 DS1200HE 1 of 9

## **DS1200HE**

### 1200 Watts

### **Distributed Power System**

Front-end Bulk Power
Total Output Power:
180 to 264Vac: 1200W continuous
90 to 140Vac: 1000W/1200W<sup>1</sup> continuous

### **Special Features**

- 1200W output power
- High-power
- 1U x 2U power supply
- High-density design: 21.66W/in3
- Active Power Factor Correction
- EN61000-3-2 Harmonic compliance
- Inrush current control
- 80plus Platinum Efficiency
- N+1 or N+N Redundant
- Hot plug operation
- N + 1 redundant
- Active current sharing
- Full Digital control
- PMBus Compliant
- Input power reporting
- Compatible with Emerson's Universal PMBus GUI
- Reverse airflow option
- Two-year Warranty

## Compliance

- Conducted/Radiated EMI Class B
- ROHS

### Safety

- UL/cUL 60950 (UL Recognized)
- NEMKO+ CB Report EN60950
- CE Mark
- · China CCC

## **Electrical Specifications**

Electrical Specifications					
Input
