### Needle-Nosed Pliers

#### Characteristics:

- **Smooth Radii on Edges**  
Protects forming and bending of component leads and wires
- **High Quality Construction**  
Precision stamped, high strength, alloy steel, 58-60 Rockwell Hardness
- **High Quality Ground Edges**  
Edges are ground using a computer controlled grinding process
- **Precision "Needle-Nose" Shape**  
Perfect for secure grasping and holding
- **Ergonomic Rubber Grips**  
Provide long lasting comfort to the operator
- **Smooth Acting Return Springs**  
Allow the handles to remain comfortably in the hand while the head opens
- **Grasps Small and Medium Size Wires**  
Can be used with wires as small as one millimeter
- **Made in America**  
Superior quality
