

## Punchdown Tool

Cat./UPC No.	Description
46020	Punchdown Tool Only
46021	Punchdown Tool w/66 blade
46023	Punchdown Tool w/110 blade
46022	66 Style Blade
46024	110 Style Blade
46025	BIX Style Blade
46026	Krone Style Blade

With a rapid, 2-step process it precisely inserts the wire for a corrosion resistant termination and then trims off excess wire.

- Spring loaded for a fast, low-effort wire seating and termination.
- Adjustable low and high impact force settings.
- Color-coded yellow on the cut side of the tool.
- Terminates 66, 110, BIX and Krone cross-connect and wall jacks.
- Bayonet style blade locking mechanism.
- Simplified internal impact mechanism eliminates jamming.
- Neoprene® pad for shock absorption.
- Spare blade storage in the handle.
- Made in the USA.

## Clip-On Twisted Pair Kit

*Screwdriver not included.*

The Clip-On Twisted Pair Kit combines the most commonly used tools for terminating voice and data cabling into an easy to carry kit that mounts on the contractor's belt.

- The kit includes the 110 Punchdown Tool, Electrician's Snips and Twisted Pair Stripper. It provides the most essential tools right at the installer's side.
- Rugged Cordura® material is built to last, lowering replacement costs and inconvenience.
- Heavy-duty metal clip snaps over the installer's belt so that the kit can be removed without removing the belt.
- Side holsters allow the installer to carry a flashlight – Greenlee #46500 POCKET-LIGHT, MINI MAGLIGHT®, or Brinkman® and a favorite screwdriver.

Cat./UPC No.	Description
46010	Clip-On Twisted Pair Kit including Punchdown Tool with 110 blade, Snips, Twisted Pair Stripper and Flashlight
45272	Pouch Only

45466	Cable TV Coax Termination Kit

Kit includes:

Cat./UPC No.	Description	Qty.
45482	Cable Cutter	1
45578	Kwik Stripper CATV Stripper with 2 level stripper for RG6, RG59, RG7, RG11	1
46801	Kwik Cycle 9" Crimp Frame w/ die set for F-style connectors on RG6 and RG59 cable	1
45516	F Connector Insertion Tool	1
45324	F Style Crimp-on Connectors for Quad-shield RG6	25
45476	Zipper Case	1

## Touchless AC Voltage Indicator

LIFETIME LIMITED WARRANTY

- Bright LED and audible alarm if voltage is present.
- Fast, easy, noncontact voltage detection.
- Adjustable sensitivity.
- Identifies hot and neutral conductors.
- Checks individual breakers for power.
- Accessories included: (1) 9V battery, carry case.

Cat. No.	UPC No.	Description
2010	34470	Touchless AC Voltage Indicator
TC-15	07595	Carry Case (Included)

### SPECIFICATIONS

Voltage Detection: 24-1000VAC  
 Frequency Range: 50-500Hz  
 Overvoltage Protection: IEC 61010-1 Category III, 600V

## Volt Tick Voltage Detector with Flashlight

LIFETIME LIMITED WARRANTY

- Finds breaks in wires or detects the presence of voltage at outlets, lighting fixtures, circuit breakers, wires, and cables.
- LED flashlight conserves batteries, eliminates bulb replacement.
- Pen size, fits in pocket or tool pouch.
- On/off switch for longer battery life.
- Bright LED in back cap, plus an audible alarm to warn if voltage is present.
- Built-in super bright LED flashlight for added convenience.
- Accessories included: (2) 1.5 volt AAA batteries.

Cat. No.	UPC No.	Description
1112	07659	Volt Tick Voltage Detector with Flashlight
