## Prototyping Accessories

### Heavy Duty Air Pump 416-AP

► [BUY NOW](#)

Replacement part for the [416E Professional Etching Kit](#)

Catalog Number	Sizes Available	Description
416AP	1	Air pump

### Air Tubing for Sparging Unit 416-AT

► [BUY NOW](#)

Replacement part for the [416E Professional Etching Kit](#)

Catalog Number	Description
416AT	Tubing

### Photo Resist Exposure Tube 416B

► [BUY NOW](#)

The 416B is a direct replacement bulb for the [416X Exposure Kit](#).

Catalog Number	Sizes Available	Description
416B	1	Bulb

### Echant System Hose 416D [▶ BUY NOW](#)

Replacement part for the [416E Professional Etching Kit](#)

Catalog Number	Description
416D	Hose

### Rubber Gloves 416G [▶ BUY NOW](#)

Excellent for use with all corrosive chemicals.

Catalog Number	Sizes Available	Description
416G	10	Gloves

### Echant Heater 416H [▶ BUY NOW](#)

200 watt side mounting immersion heater with quartz element and adjustable temperature control. Replacement part for the [416E Professional Etching Kit](#).

Catalog Number	Sizes Available	Description
416H	1	Heater

## Foam Brush 416-S

▶ BUY NOW

For use in the photo-fabrication process. Replacement part for the [416K Photofabrication Kit](#).

- Use during developing to aid in the removal of photo-resist.
- Use during etching to aid in the removal of copper.

Catalog Number	Description
416-S	Brush
