Remark :

* -- Please pay attention of the panel voltage for choosing the matching LVDS cable

(e.g : 12V for P/N 4264905-00, 3.3/5V for P/N 4264921-00). Otherwise, it may damage the panel.

--- All suggested cable in The table are checked based on panel specification only. Please make sure the cable connection are correct before ordering.
