INDUSTRIAL MARKING

Reflective Stripes, Checks & Solid Colour Tapes

These tapes give an extra margin of safety during blackouts, at night, or in low light conditions.

Material: B-957 Reflective Adhesive Material

Roll length: 4.5 m

Width	Solid Colour Tape			Stripes			Checks
	White	Yellow	Orange	Black/Yellow	Red/White	Black/White	Black/Yellow
50 mm	078985	078986	078989	076308	076309	076310	076321
75 mm	078987	078988	078990	076312	076313		

Warning Tapes (with legend)

- Maximum safety is achieved by combining a bold striped pattern with warning messages.
- The tape is laminated with a clear polyester film.

Standard package: 1 roll

Size: 76 mm x 17 m

Aisle Marking Applicator

Marking aisles for long-term visibility is easy with colour coding aisle tape. The tape is unrolled and pressed into place, making specific boundaries and walkways instantly recognisable.

Part No.: 055538

Warning Panels

These self-adhesive warning films made from vinyl (B-946) in black on yellow are designed to give early warning about trucks, loading platforms, posts and fork-lift trucks. They can be used wherever there are potential dangers to the work force.

Part No.	Description	Size mm	Colour	Panels per pack
055318	WP-516Y	142 x 428	Yellow/Black	10
055319	WP-1116Y	286 x 428	Yellow/Black	10
255322	WP-1116RD	286 x 428	Red/White	10

Directional Arrow Tape

- Use these colour-coded arrows to control traffic flow in your factory, warehouse or office.
- The self-adhesive tape is laminated for extra protection.

Size: 51 mm x 17 mm

Black on Yellow	White on red	White on Green	Black on White	White on Black	Black on Orange
