

120-010 plus
150 series

Introducing the raaco Series 150 cabinets.

raaco

The raaco Series 150 cabinets means you can use your stock room to full advantage.

Easily mounted on walls. Same basic measurements for all types of cabinets: many different combinations are possible, based on the building block system.

Especially solid frame design. Shelves are welded to ensure maximum stability of the cabinet: storage capacity 110 lbs. (50 kg)

Four processes of finishing metal surfaces:

1. degreasing
2. phosphatizing
3. prime coated
4. electrostatic enamelling

Transparent drawers available in two different heights and five widths, including label holder: can be subdivided as required, using transparent dividers.

Built-in drawer guides for easy operation—stops prevent drawers from falling out.

Rubber pads guarantee a firm base for single cabinets and non-skid surface when stacked.

Drawer types

H x W (depth 5 1/4" (135 mm))	35 x 52	35 x 64	57 x 87	57 x 135	57 x 275
Dividers	35/52 width	35/64 width	57/87 width	57/67 width & length	57/67 length
			57/135 length	57/135 width & length	57/135 length
					57/275 width

Units you can combine.

raaco

The large raaco Series 150 cabinets.

Six types of cabinets with the same dimensions.

H 21 7/8" (555 mm)

W 12 1/8" (307 mm)

D 5 3/4" (146 mm)

Any cabinet can be combined with all of the others to build a system which suits your requirements—on a wall, on the workbench, or in the raaco 150 revolving tower, which is extremely compact. The large raaco Series 150 cabinets may be combined as required in the raaco 150 revolving tower. For drawer measurement and subdivisions, see opposite page.

The knack of gaining extra space and time.

raaco

Gain Space!

Storage space costs money. raaco revolving towers 150 are ideally suited for use anywhere there is a lack of free wall space.

Gain Time!

Time costs money. A raaco 150 revolving tower holds 12 large Series 150 cabinets of your choice. Without having to move, you can have four raaco 150 revolving towers, with a total of 48 cabinets at your fingertips, as shown in diagram.

Highly stable design.
Easy to assemble.

Equipped with 12 large raaco Series 150 cabinets of your choice (please order revolving stand 150 extra).

You can have up to 2,160 different items in 2 1/4 square feet (0.2 square meters) of floor space (when using 60 W cabinet). Storage capacity of revolving tower 150: 880 lbs (400 kilos).

raaco turntables turn effortlessly on ball bearing base. Feet have level adjustments to compensate for floor irregularities.

With the raaco revolving tower system, you gain in two ways.

You gain space, and you gain time by shorter, more efficient trips in the stock room, sales floor, and the workshop. The diagram proves it.

A multitude of applications.

With only a little effort, you can mount raaco Series 150 cabinets to any wall—near the place of work, in the stock room, or in the workshop.

With raaco Series 150 cabinets, you have all your daily requirements at your fingertips.

When you're out on the job, you don't have to be disorganized: you can rely on the "neat" assistance of the raaco kit bag.

raaco

The specially compact answer to your problem.

Using the raaco 150 revolving towers, you can enlarge the floor space of your stock room in a jiffy. You save space, you save trips, and you save time.

Just one raaco 150 revolving tower will bring you many advantages; you'll have up to 2,160 items at your fingertips in one place.
